*Gravette Cruise and Quarantine, As long as the state allows. At 6:30 pm, we will start the cruise at Sonic located in Gravette, North to Main Street. East on Main to 4<sup>th</sup>, right to hwy 72 right and back again to Sonic. Gravette PD will be represented so play nice and act responsibly. Sonic will be open until 10 pm and there will be a gas station available. As long as we all play nice I'm looking at having two cruise nights a month. Shine them up and let's go! As long as its street legal, we're legit.*
